Q: Scroll in GridView horizontally I have a GridView with Images and some text. My problem is that when I click to a text, the GridView scrolls horizontally up/down. I want that the grid scrolls horizontally. How can I do this? `grid.setVerticalScrollBarEnabled(false)`; I tried that but I have some problems. Thanks a lot. A: Use a ScrollPane. The example below links you to an introduction to how to use it with GridView. I only wish you had posted some code :-(  
`grid.setHorizontalScrollBarEnabled(false)`; A: Use this: `grid.setVerticalScrollBarPolicy(ScrollPaneConstants.VERTICAL_SCROLLBAR_ALWAYS)`; Q: Uncaught ReferenceError: \$ is not defined I have this in my code `var fileInput = document.getElementById('fileinput')` `$('.sendfile', fileInput).change(function () {` The fileinput is actually a upload form. The `$('.sendfile', fileInput)` is all the input fields that are after the file input field in HTML. However, Chrome returns the Uncaught ReferenceError: \$ is not defined Any help would be appreciated. A: You may use fileinput element to select your file input element. It is a very common case. For example, your file input element is: So, you can select your file input element like this: `var fileinput = document.getElementById('fileinput')` And then, you can bind a jQuery plugin to it like this: `$(fileinput).change(function(){ //stuff })` I hope this helps you. `{ "name" : "jpeg", "authors" : [ "Alexander (Sasha.Ageev@gmail.com)"`
